REDSKIN ANNUAL & NEWSPAPER STAFF

In the beginning the members of this year's staff, Gary McAdoo, Chuck Matthews, Janice Johnson, Melvin Brown, Treva Loveless, David Kuntz, Dorthy Willson, Wesley Medlin, Lori Goodwin, editor; Tracey Farmer, Sandy Brewer, Suzy Coffman, Cathy Jackson, Jane Foster, and Sonya Hill, did not recognize what a building project they were engaged in. At first, they thought that it was going to be just a matter of selling a few ads and telling the yearbook company to print the book. Then gradually, they began to suspect that Mrs. Werhan, their sponsor, was giving them some rather complicated tasks. In addition to ad selling (which took quite a bit of energy and courage, not to mention gasoline) they learned that it would be their responsibility to create and draw a layout for each page of the 1981-82 yearbook. Along with this, they also had to put together the news stories which were turned in each month and publish the REDSKIN REVIEW.

Wesley began to show Chuck and David that it did matter whether or not you removed the lens cap before taking pictures!

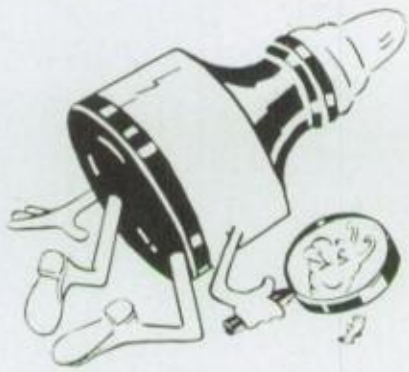
The entire staff learned a new meaning for the word "dummy."

They also learned to love the smell of darkroom chemicals.

Lori learned to draw A-frame skitches in her sleep.

Several learned how to help Sneaky Scout accumulate his information.

"Looking for news in All the wrong places . . . "



Sandy and Sonya discovered that "cropping" has nothing to do with agriculture.

Most of the staff began to have nightmares when they heard the word "deadline."

Everyone learned to appreciate apple fritters while working late . . . . . and the expert help they received in particular from Mrs. Brantley and from many others in general . . .

But they figured that it was worth all the trouble . . . . . BECAUSE

THEY GOT TO BE THE FIRST ONES TO HAVE THEIR PICTURE MADE IN FRONT OF THE NEW HIGH SCHOOL!

Members of Rush Springs School Board were building in every way during the 1981-82 school year. Not only was the building of mental and physical facilities of the students one of their goals but they also supervised the construction of a new high school building and the transfer of the middle school to the old high school building.

This year also saw the retirement of Ted Cline after 17 years of service and the election of John Morrow as a new member. Board members continued to pledge their best to work with members of the community and to express appreciation for the community's support.

Fourteen helpless months of agony ended on Jan. 20, 1981, as a plane carrying 52 American hostages took off from Tehran. Minutes later, and thousands of miles away, RONALD REAGAN was sworn in as the 40th president of the United States. He was sworn in at 69 years of age, the oldest President in U.S. history.

Hit by a would-be assassin's bullet on March 30, outside a Washington D.C. hotel, he bounced back to take charge of the country in just a little over a month.

SUPERBOWL 1981

The Oakland Raiders beat the Philadelphia Eagles for the 1981 Superbowl Championship!

SUPERBOWL 1982

San Francisco won the 1982 Superbowl Championship by beating the Cincinatti Bengals by a score of 26 to 21.

RECORD COLD SWEEPS THE NATION

*The frigid air gushed out of the Arctic, and Chicago was colder than ever before.
*The Arctic cold sweep was global.
*Cold conditions caused a plane in Washington D.C. to crash into the Potomac River.
*The Artic air caused record cold temperatures across the country.
*Record cold blamed for at least 72 deaths across the country.
*Fortunately, Oklahoma escaped from the worst results of the Artic air.

NATALIE WOOD drowned in the Pacific Ocean off of Catalina Island. She was 43 years old and had been relaxing on her quarter million dollar yacht, the "Spendor". This tragedy happened on Nov. 28, 1981.

FHA HOBO QUEEN

The Hobo Queen, Heather Davis, was crowned at the formal initiation banquet given by the sophomore FHA members. Her crown was made from a tin can with the lid open and a beautiful bird perched upon the open lid. Flowers were draped in a colorful arrangement about the brim. The traditional long robe was of red burlap trimmed in white eyelet. A red rose was presented to her as the flower of the organization. The attendants, JoAnn Davis and Shelli Trusty, received long stemmed red roses. The Hobo Queen honor is won by the girl who earns the most money on Hobo Day. The attendants are the first and second runners-up.

The 1981 Homecoming coronation was held Friday, September 18 at 7:00 p.m. Six beautiful young ladies, each with the hope of being chosen as queen, six handsome football players, three luxurious Lincolns, two football teams, 4 class floats, many orgnaization floats and myriads of fans . . . This is, of course, the description of the elements that made up the homecoming game Friday, September 18 at 7:00 p.m.

The candidates were: Seniors: Maxanne Laing and Laura Wright; Juniors: Kim McAdoo and Reneé McMasters; Sophomores: Margaret Myers and Anita Krey.

The escorts were: Seniors: John Musshafen and Jimmy Chaffin; Juniors: Terry Morris and James Gardner; Sophomores: Marty Duke and Kevin Bailey.

The candidates were escorted onto the field as the band played "Just You and Me."

Finally, after what seemed like a life time, the name of the queen and captain were announced. Jimmy Chaffin received the honor of crowning the 1981-82 football queen . . . Maxanne Laing.

To top off the perfect ceremony, our formidable football team defeated the V.A. Comets by a score of 22-0!!!!!!!!!!!!

Easy does it . . .

Let's go Reneé!!!

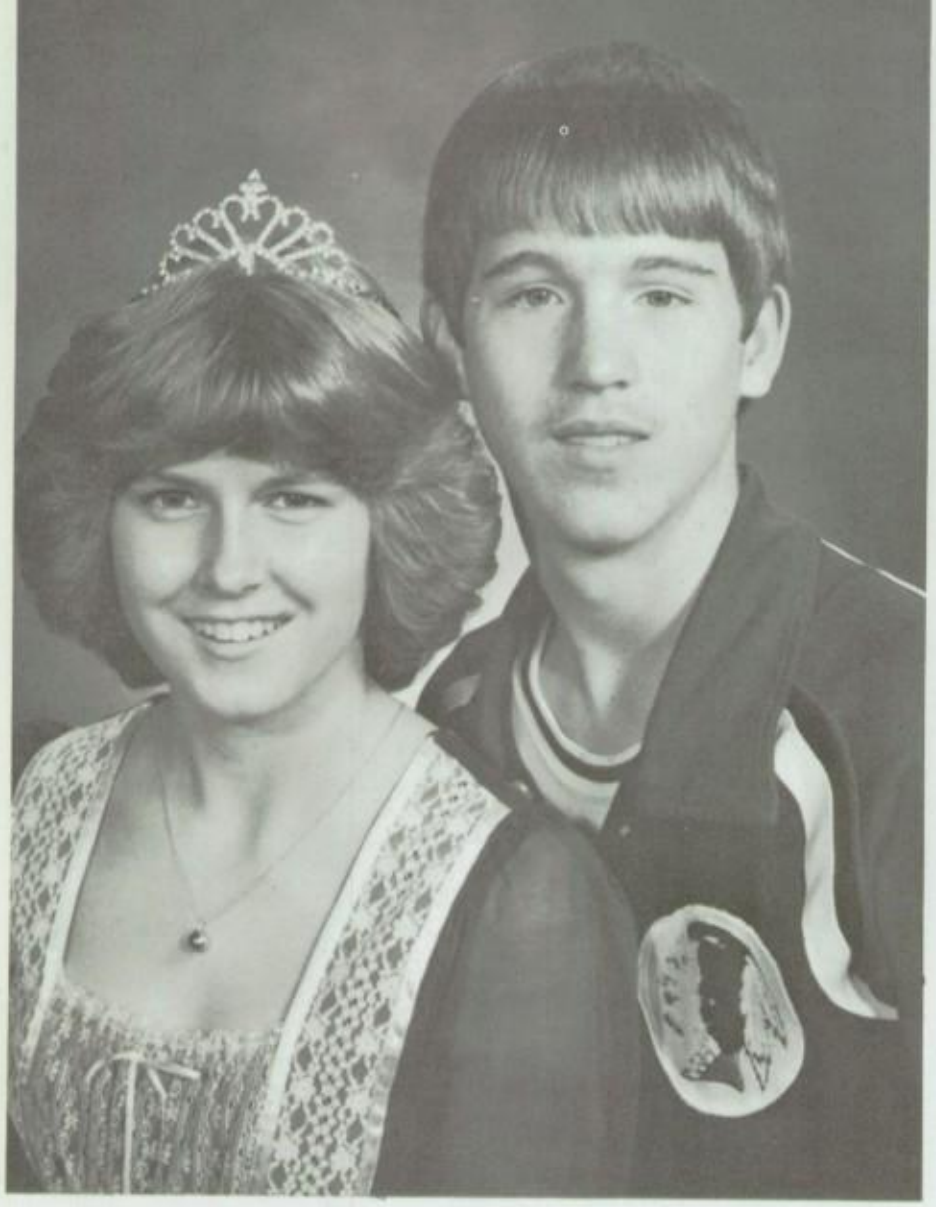
HIGH SCHOOL BASKETBALL HOMECOMING

Tuesday, December the eighth was the date, the place was the Rush Springs gymnasium, and the occasion was the 1981-1982 High School Homecoming. Sponsored by the High School cheerleaders, the theme for this years' homecoming was "The Rainbow Connection." Bright colors, beautiful glittered rainbows and silverlined clouds decorated the gym for this occasion.

The candidates: Maxanne Laing, Lanetta Hayes, Tonya Caywood, and Deena Brady walked out to meet their excorts: Keith Davis, Jon Davis, Marty Duke, and John Morrow to the tune of "He's So Shy." Each girl was presented with a corsage and the traditional necklace by the cheerleaders.

Waiting, on, so eagerly to hear the announcement of captain and the 1981-1982 homecoming queen was a large crowd of Redskin enthusiast. The candiates, as well as the crowd were filled with suspense. The announcement of the queen and her captain was given ... "the 1981-1982 captain ... Keith Davis ... and the queen ... Lanetta Hayes!!"

Keith handled the crowning expertly, and the night was topped off perfectly with victories over Alex by both the girls and boys.



Junior High Basketball Royalty

During the half time of the boys basketball game on December 3, Lisa Landrum was crowned queen of the junior high homecoming by John Morrow. Members of the cheerleading squad sponsored by Mrs. Lucas provided background decorations for the candidates with necklaces and flowers. The attendants and their escorts were Angel Todd and J.D. Walker, Angela Matthews and Darrin Cunningham, and Reneé Krey and Brad McAdoo.

BUILDING SKILLS & SPIRIT

Members of the Rush Springs student body worked together in many different directions as they made steps toward building their skills for tomorrow and spirit for today. Building floats, creating colorful doors, learning to caulk properly, calculating math theorems, developing confidence in themselves and each other were just part of their efforts.

This year the vocal classes have been busy. To start off the year they put on a fall performance with the Drill Team. Some of the songs sung by the Chorus were "Let The Sunshine In," "Count On Me," and "Sail Away."

Some of the Ensembles that sang were Regina Griffith and Johnie Jordan; Cindy Daniels, Treva Loveless, and Melady Brown; Tonya Caywood and Keith Davis; Beverly Kerr and Bobbi Blackburn; Lori Pate and Kevin McElroy; and Michelle Towsend and Jim Doughty. With everyone working together, it turned out to be a very entertaining program and everyone enjoyed doing it.

On November 5 they attended the Annual Choral Festival held at Central State in Edmond. Everyone had a good time. Of course, it wasn't all fun while they were there! Some of the songs were difficult to learn but they practiced diligently for five hours trying to sing them the way the director "patiently" instructed them to do.

After all the hard work, they were finally allowed to go shopping and eat pizza! Then they were back at 7:00 o'clock for the night performance and finally homeward bound.

During January Mrs. Duke was helping Michelle Townsend, Treva Loveless, Melady Brown, Angela Crow, Beverly Kerr, Regina Griffith, Bobbi Blackburn, Chris El-Maghrabi, and Keith Davis practice their solos for the contest at Cameron University.

To finish off the year they put on a Spring Program and raised money for their trip to Dallas, Texas, for the Show Choir Contest. It was an experience they will always remember.

The 1981-82 Rush Springs High School Band has been involved in many activities. At the Central State Homecoming Parade and the Christmas Parade at Chickasha they took top honors.

This year, to add a new tempo to their beat, they included some new popular songs including "Anoother One Bites The Dust," "Celebration," "He's So Shy," "Hit Me With Your Best Shot," and "The Greatest American Hero."

The band members participated in several money making projects. They sponsored a Bean Supper, a Turkey Dinner, and a Play-A-Thon.

Band members continued to make their activities exciting by serving Mr. Krey a special pie or two, exchanging gossip and developing romances on the bus as well as trying to catch people who break the law.

To top off the end of a fun packed year they enjoyed another trip to San Antonio.

The High School Student Council was truly "Building" for the future this year. Many members attended the Student Council at Muskogee and brought many constructive tools back with them.

This was also a year of "firsts." They sponsored a contest for the creation of a new school flag. In addition, members were in charge of raising and lowering the American and Oklahoma flags. Every month they recognized the outstanding student and teacher.

The student council showed its artistic ability every week by creating appropriate bulletin board messages in the hall. They showed their imagination in creating a memorable senior high football homecoming with a theme centered around cartoon characters. The parade floats were especially colorful and council members thought that their "Sprinkling of the Comets" was the best.

The 1981-82 Lady Redskins enjoyed a fine season finishing with a 15-9 record. In route they were runners-up in the Bulldog Classic at Minco, District champions for the third year in a row, and finished their season in the finals of the Regional Tournament held at Velma-Alma.

In the course of the season, the Lady Redskins were ranked as high as 15th in 2-A and at one time were 7-0. The good thing about the team is that all but one team member will return to play again next season. Team captain, Maxanne Laing, "Miss Hustle," is the only graduate on the team. Even though she is only 5'0" tall, she will be extremely difficult to replace. Her role on the team was pressure packed, and she learned to handle the pressure extremely well. Team members returning next year will be: Renee McMasters, Kim McAdoo, LaNell Pelley, Lanetta Hayes, Seniors; Tonya Caywood, Tracey Farmer, Rhonda Elliott, Carol Long, Sharon Butler, Juniors; Mindy Bailey, Lisa Landrum, Deen Brady, and Angel Todd, Sophomores.
